

Budget of the U. S. Government, Fiscal Year 2010

The electronic version of the [FY10 Budget](#) is available on GPO Access and GPO's [Federal Digital System \(FDsys\)](#). A browse page of the budget contents and the ability to download electronic files is available on GPO Access; however, the search functionality is now available on FDsys. Copies of the budget are also available for purchase from the [U.S. Government Bookstore](#).

The collection of documents contain the budget message of the President, information about the President's budget proposals, and other budgetary publications such as related publications and supporting materials, are also included. The pdfs are digitally signed and certified to assure users of the [authenticity](#) of the documents.
